

Abuse of Officials Policy

TO: All Athletic Directors and Coaches

FROM: Dennise Brennan/Karen Virga
Co-Commissioners, Catholic School Athletic League
Co-Chairmen, Principal's Athletic Conference

Over the years we have been having problems with coaches at athletic events who are expressing boisterous displeasure with game officials.

Please be advised that this practice is unacceptable and will not be tolerated. Any coach found to be inappropriately voicing displeasure with game officials will face disciplinary action, up to suspension from coaching.

Please realize we are setting a poor example of Christian behavior for our players and inciting fans in a negative way. Not only does this not help calm down situations, but to the contrary, it makes a bad situation even worse.

We stress that any coach who is found to be verbally abusing officials will be dealt with accordingly.

Your cooperation in this matter is greatly appreciated.
